## Groundbreaking Fire Chief donates time, raises money for Lake Worth High students

Chief Paul Blockson is a frequent presence on the Lake Worth Community High School campus, not only as the city's fire chief but also as a volunteer and role model for students.

Chief Blockson and his wife, Carla, are active in both Project Graduation and Lake Worth Dollars for Scholars. Chief Blockson's affiliation with these organizations has allowed him to offer his services, give input, make changes and help raise scholarship money for needy students.

Two of the Blocksons' five children, as well as their two foster children, are Lake Worth High School graduates.

Chief Blockson's career in the fire service started 32 years ago in East Cleveland, Ohio, where he became fire chief in 1988. At the time, he had only 14 years with the department. With this promotion, he became the first African-American fire chief in the state of Ohio.

He earned an Associate of Science degree in Fire Science in 1992, and he was selected the "Firefighter of the Year" at Lakeland Community College. He went on to Cleveland State University to complete his degree in Urban Studies. He graduated in 1996 Cum Laude from that institution.

Also in 1996, he received the Carl B. Stokes award for Public Administrator of the Year. That same year, he was selected as the fire chief in Lake Worth during a national search. Again he achieved another first, this time as the only minority department head in the city. Here he manages a department of 68 employees and a budget of six million dollars.

Chief Blockson is an adjunct instructor with the National Fire Academy and has taught at many institutions across the country.

## Principal Ana Meehan to assume new assignment

Ana Meehan, Lake Worth High principal for the past four years, has accepted the position of Director of Multicultural Education with the Palm Beach County School System. She will continue in her position as principal at Lake Worth High School through the end of the school year and will begin her new assignment on July 1, 2006.

Principal Meehan has a very strong background in curriculum and has demonstrated capable

leadership during her four year tenure at Lake Worth High.

She has been a friend to both the Alumni Foundation and the Lake Worth Dollars for Scholars Foundation, helping them to serve the community and the students of Lake Worth High School.

She will be missed, but we wish her success with the new appointment at the county level. At this time, it has not been determined who will follow Mrs. Meehan in the position of head Trojan.

## Golf Tournament a huge success

by C. H. "Mac" McKinnon

On October 15, 2005, 102 golfers (men and women) played in the Dollars for Scholars Golf Tournament held at the Lake Worth Municipal Golf Course. This was the largest field since the tournament was started in 1999, and the financial results were the best ever—netting \$16,338 for DFS and \$4,084 for the Alumni Foundation. The golf course was in great shape, but played a little tough because of the wind. Even

with the wind, it was a great day for golf.

At the conclusion of play, a hearty lunch was served in the clubhouse. Lunch was followed by raffle prizes and auction items.

Proceeds from the tournament will be used for scholarships for Lake Worth High School students.

Our thanks go to all of the golfers who played and to the contributors of raffle and auction items. A special thank you goes to our Gold and Maroon sponsors.

Left to Right: Andrew Kennely; Paul Colby; Jim Auld, 1983; and Randy Vassalotti.

Left to Right: Steve Barnes, 1974; Chuck Graham; Chris Hansen, 1958; and Robert Norberg, 1981

### Alumni Advertising in the Alumni News

For a \$50 donation any  
LWHS alum can have  
their business card  
published in this news-  
letter. You will reach  
over 10,000 fellow  
alumni, all of whom will  
know you share with  
them a common experi-  
ence as a graduate of  
LWHS

Send your \$50.00 dona-  
tion, and business card  
to:

Lake Worth High School  
Alumni Office  
c/o Randy Hall  
1701 Lake Worth Road  
Lake Worth, FL 33460

This to be a very effec-  
tive means to communi-  
cate with your fellow  
alumni at a modest cost  
to your business. Send  
in your donation today so  
we can publish your  
business card in the next  
*Alumni News*.

Only Requirements are:

1) The individual's name on  
the business card is a  
graduate of LWHS or a  
close family member.

2) Postal regulations  
prevent us from including  
advertising for travel,  
insurance or credit cards.

## Principal Meehan's Farewell Message

Ana Garcia Meehan, Principal

Dear Alumni:

This letter will serve as my farewell to the Alumni of Lake Worth Community High School. I have accepted a position beginning in June 2006 as Executive Director of Multicultural Education with the School District of Palm Beach County. It has been an honor and a privilege to be the Principal of Lake Worth High School for the past four years. I have had the opportunity to work with

an extraordinary staff, wonderful students and dedicated alumni and community members. Leaving Lake Worth Community High School, as all of you know, is extremely difficult. However, I will always remember my years here as rewarding, inspiring and gratifying.

We remain proud of the tradition of excellence that has been such an integral part of the history of Lake Worth Community High School. Your involvement continues to be important to our success. We appreciate the many hours our alumni have devoted to supporting the students and staff of Lake Worth Community High School. Thanks to these efforts we have been able to fund scholarships, sponsor functions, and

establish viable partnerships with our community businesses and government entities. I extend my appreciation also to the Dollars for Scholars Foundation for providing scholarships to our students.

As we near the end of another school year, please join with us in celebrating the past and the present graduating classes of our great school. Together we can continue to make a positive difference in the lives of many students for generations to come.

My sincerest thanks are extended to each of you who have remained a part of the Trojan family. I am pleased to count myself now among you. I will always retain special memories of my time at Lake Worth Community High School. I am forever grateful to each of you for welcoming me so warmly into the Lake Worth High School family of "alumni" and providing support to me during my years here.

## Lake Worth High grad takes career in law enforcement to a whole new level

by DeeAnne C. Feulner '83

Roy Bedard, class of 1984, is the President and founder of **RRB Systems International**; a police and security equipment and training company based in Tallahassee, Florida. Bedard is also the creator and developer of the Rapid Rotation Baton, a new and improved version of the traditional police baton; the cornerstone of the company's product offering. He also travels throughout the country and internationally, working with law enforcement, corrections, security and military personnel as a consultant and trainer; bringing U.S.'s best policing practices to other countries.

Since graduating from Lake Worth High, Roy Bedard has been busy setting, and accomplishing goals—each one more impressive than the previous. In 1984 he earned a spot on the United States Karate Team, and for the next ten years he competed internationally. In 1985, Bedard entered the Police Academy in Tallahassee and then worked as a Florida State University police officer. After

graduation, he returned to the Academy as an instructor and still remains the youngest instructor to ever teach there. He worked full time for the Tallahassee Police Department until 1996 when he left to begin **RRB Systems International**.

Bedard is a Florida State University graduate with a degree in Criminology. He is first, and most importantly, a police officer at heart; still working part time as a Tallahassee police officer. He has taken his love of his profession and his innovative ideas and tactics and turned them into a lucrative corporation. However, success comes in many forms, and the awards and recognition are many—and impressive. Some of which are: *Who's Who of American Inventors*, the National Republican Congressional Committee's (NRCC) *Florida Businessman of the Year*, and an Award for Heroism (for rescuing a disabled victim from a burning house). One can't help but be impressed, or wonder which of his accomplishments Bedard is most proud. "I guess just the fact that

*I am a part of such a noble profession. What I do resonates. What I do matters. I teach survival skills in a very uncertain world."* He then relays the experience of having a police officer, and former student approach him and say, "I just want to let you know that I used what you taught me and it saved my life."

Bedard's travels, as a consultant and trainer to international police agencies, have literally taken him around the world. Bedard has also accompanied Governor Jeb Bush across Latin America—to Mexico, Brazil, Chili and Argentina—on trade missions (a program that helps bring American businesses to foreign countries). "I am able

to share information with new and emerging democracies who are eager to learn our American style of policing, still the envy of the modern world technologically and operationally; a program I call the global policing initiative," Bedard says.

Roy's strongest memory of his years at Lake Worth High and Trojan life, are "The totality of the Class of 1984 and their distinct personalities. We were unified, yet very diverse. I learned about camaraderie; being part of a team, part of a group." This is a lesson that seems to have served him well in his chosen profession, and life in general.

Bedard has been married to wife, Laura, for 13 years. Laura is the Deputy Secretary for the Florida Department of Corrections and was previously a professor at FSU. They have two children: Danielle is 12, and Dalton is 10. They reside in Tallahassee, Florida.

Visit Roy's website at:  
[www.rrbssystems.com](http://www.rrbssystems.com)  
or contact him at  
[rbedard@rrbssystems.com](mailto:rbedard@rrbssystems.com)

## Thomas Keller, class of '73 internationally renowned chef

by Kay Cantley

Lake Worth High can boast of many graduates who have risen to the top echelons of their chosen professions. Thomas Keller, class of 1973, is one such individual. Chef Keller is internationally renowned for his innovation and dedication to his culinary pursuits.

Restaurants include The French Laundry in the Napa Valley, Bouchon in Las Vegas and Per Se in New York City. The James Beard Foundation, in 1997, named Keller best chef in America. The January 9, 2006, issue of *The New Yorker* Magazine rates PerSe (which opened in 2004) as number three of the top 100 restaurants in New York City. Chef Keller has also been recognized for excellence in authoring *The French Laundry Cookbook*, developing wines and designing dinnerware.

Keller began his culinary career as a teenager working in a Palm Beach restaurant (Palm Beach Yacht Club) managed by his mother where he did everything from washing dishes to preparing sauces. Keller trained as an apprentice to world famous chefs in Palm Beach County, New York and Paris from 1973 to 1984 before opening his first restaurant, Rakel, in 1986.

Keller's respect for top-shelf ingredients, craftsmanship, creativity, first-rate service and avoiding "palate fatigue" are the keystones of his success. His expertise in turning the experience of dining into a four-hour theatrical event with a series of five to twenty courses, each amounting to just a few bites of food, is unparalleled in the culinary world. His cuisine reflects both French and American influences, but are decidedly his own.

Chef Keller "comes home" from time to time to visit with brother, Bob, who lives in West Palm Beach and sister, Judy Lerous, a resident of Palm Harbor. To learn more about Chef Keller, visit his website at [frenchlaundry.com](http://frenchlaundry.com).

Sources: [frenchlaundry.com](http://frenchlaundry.com), *New Yorker Magazine* and *Palm Beach Post*.

**Chef Thomas Keller, Lake Worth High School graduate, class of 1973.**

## Kissimmee Mini Reunion

by Charlie and Cindy Brooks

Every May for the past 15 years on the weekend after Mother's Day, LWHS Alumni have been invited for a three-day get together to share old times and to renew acquaintances.

For the first several years, the event was held on the Space Coast at Cocoa. Thanks to one of our LWHS alumni teachers, George English, who became Director at the Kennedy Space Center, the group was picked up and taken to the space port on a VIP tour one year. During another gathering, Al Elam's son-in-law was part of the crew of the nuclear submarine, Tucson, on its shakedown cruise before being christened. Thanks to him, we were invited to tour the sub while it was tied up at Port Canaveral—what an exciting experience. Then, there was the time we were on a dinner cruise on the Banana River. Everyone enjoyed watching Carroll Webb jitterbug with Peggy Fulton while Charlie Brooks listened to tales by Coach Bob Fulton on the bow as he smoked his cigar. Coach missed seeing his wife, Peggy, doing the splits at the end of the dance with Carroll—what a woman!

For the past four years we've been coming to the **Comfort Suites Maingate East** in Kissimmee (voted best Comfort Suites in the nation). Perhaps we needed a change in activities or could it be that we are slowing down? In order to keep expenses lower, we now meet Sunday through Tuesday and always the weekend after Mother's Day. There's always something for everyone—golfing, shopping (unlimited), theme parks or just relaxing and mingling by the pool. The hotel has scheduled free bus service to the parks.

This year's planned events open Sunday afternoon with a *White Elephant* tea party followed by cocktails and hors d'oeuvres by the pool. Then on Monday there's a *stretching* class led by a professional physical trainer, an afternoon wine tasting and then a barbecue dinner. After dinner Barbara Goodell Benefield, Sarah Goodell Salter and Dick Goodell will give a narration on the life of their father, Coach E. R. "Buddy" Goodell, who had a great influence on many of us growing up under his tutelage. If you weren't in attendance last year, you missed a great presentation on the life of Coach "Bob" Fulton given by his son Bob Jr. and Peggy Fulton.

By now, you may be asking—"How do I get invited?" It's simple—just by being an alumnus and enjoy being in the company of wonderful people. Our group consists of guys and gals from the Class of '43 through, at last count, the early '70's. The hotel has only 198 suites and they fill up fast. So, if you are interested, call the Alumni Office for an invitation or check with a schoolmate to make a copy of their reservation form and mail it to the hotel.

By the way, we forgot to mention that the attire for the entire weekend is casual. It's just all about having fun.

Some of our special friends who have committed to be here are: Peggy Fulton, George English, former Lake Worth Mayor Dennis Dorsey, former president of the Alumni Association Roberta Stephens, and former principal and present head of Dollars for Scholars, Dave Cantley, and his wife, Kay.

## Alumni Association Membership Fees Due

Remember... membership fees are due on **January 1<sup>st</sup>** each year—unless you have paid to become a "Lifetime Member" of the Alumni Association.

Yearly Fees are as follows:

Single	\$25.00
Couples	\$40.00
Business	\$100.00
Lifetime	\$200.00*

\*Lifetime membership one time fee

Mail payments, with application (on left) to: Lake Worth High School Alumni Association Office 1701 Lake Worth Road, Lake Worth, FL 33460.

## Are You Ready for PayPal?

PayPal is an internet service which enables individuals to send money from either their credit card or their checking account to organizations like your Alumni Foundation via their e-mail address; we are registered with PayPal so that you can now send money to the Foundation for memberships, memorial donations, tickets or any other reason via this service. There is no charge to you when you use PayPal!

Go to [www.paypal.com](http://www.paypal.com) on the internet where you will enter your name, address, etc. and how you plan to pay (credit card or checking account). You will need to provide our e-mail address for receiving the money, which is [lwhsalum@bellsouth.net](mailto:lwhsalum@bellsouth.net). Please indicate your reason for sending the money (donation, membership, etc.) and your year of graduation in the Notes field of the transaction.

## President's Corner

by Lonnie Mills  
 Alumni Foundation President

This is my first opportunity to address our members at large. So let me start by saying to our new members: Welcome to the LAKE WORTH HIGH SCHOOL ALUMNI FOUNDATION, and to our longer standing members I say, "The best is yet to come." I would like to say a very special, "Thank You" to the Alumni Foundation Board of Directors for nominating me for president. It is quite an honor to be asked to lead a group that has done so much for the school I have loved so much.

Thanks to the years of hard work the Boards have put in to establishing the Alumni Foundation and the Dollars for Scholars Foundation, we are in position to continue to have record setting years ahead. Once again, in 2006, the train is leaving the station and we're going on one heck of a ride. Let me offer my personal invitation to you to come along for the most exciting and fulfilling time of your life. If you've never been a part of an organization like ours, I invite you to join in and get involved. You will have an opportunity to help make a mark on the future of many of the young people graduating from LWHS; this is your opportunity to be a part of something truly rewarding.

For those of you who may not know, The Alumni

Foundation is the fuel behind all the wonderful things being done each year by the Dollars For Scholars Foundation. We help provide the funds that allow every penny generated by Dollars For Scholars to go to scholarships for qualifying and deserving students of LWHS who may otherwise never have the opportunity to further their education. There is plenty of room for each of you to take an active part in the growth of these students as we help them prepare for their future.

We have regular Alumni Association meetings as well as committees that meet to help set up the many fund raising events we hold each year. There is **FUN FOR ALL**. So get on board, become a member and ask how you can help. Our next event is our annual Hog Roast. Members will get their regular tickets in the mail. For information on ticket prices or dates of any event call the Alumni Office at 561.533.6340.

Help us get our message out to every alumni, student or friend of LWHS. **WE WANT YOU!** To be a part of our mission. I sincerely hope everyone within shouting distance and beyond will hear our call and join us.

As I said earlier, the train is leaving the station and you won't want to be left behind. This is my invitation to you to get involved and become an active part of an exciting movement associated with Lake Worth High School.

Welcome to your **LAKE WORTH HIGH SCHOOL ALUMNI FOUNDATION**. Stay tuned. . . .

**THE J. DAVID GLADSTONE INSTITUTES**  
 UNIVERSITY OF CALIFORNIA, SAN FRANCISCO

**ADMINISTRATION**

## Fond memories of our Lake Worth High days

compiled by Doris Dorsey

**Elaine Lloyd Sloan '54** Sanford, FL remembers the Easter Sunrise services at the ocean when she was a member of the Glee Club and they would sing with Miss Royce, Mr. Cline and Miss Schaffer as the directors. This was a wonderful time.

**Randy Hall '60** Lantana, FL "remembers fondly parking at Windy Mare"

**Carolyn Smith Crocco '52** Lakeland, FL says, "One of my fondest memories in high school was listening to Coach Bob Fulton play "Stardust" on the piano. We always had fun in high school."

**Marjorie Addison Hamel '55** resides in Clermont, FL. "When I was a senior, I was the student director of the Jr/Sr. Play which was "Aaron Slick From the Pumkin' Crick". We worked making and assembling the props. The background scenery had to be painted so we went out soliciting donations and the hardware store gave us some old paint. We painted the scenery that weekend. When we came back to school on Monday, the entire auditorium smell to high heaven. That's when we found out how "old" the paint really was.

**Bill McGoun '55** lives in Bryson City, NC.

"On our choir tour my junior year, we stopped in Lake Wales and stayed at the Walesbilt Hotel, the old one down town. Some of the girls decided they wanted to have a singing session and enlisted some of us boys to move the lobby piano to a better location. We got behind the upright piano and pushed. Unfortunately, one of the casters was missing and instead of rolling the piano turned over. You know those old movies where a piano is smashed and strings fly everywhere? Well, that's just about the way it looked. It really was humorous, but I don't think the hotel management saw it that way. I often wonder if our visit, which also featured a small fire in an upstairs cigarette-snuffing urn, hastened the hotel's demise."

**AliceAnn Cushman Mazza '54 and Thomas Mazza '51** live in West Palm Beach. "Our memory bank is somewhat depleted, but we remember the farewell assembly for Robert Fulton as one of our fondest memories. He played the piano and of all the students and teachers there—not one dry eye in the crowd. He was a gentle giant and loved by all."

**Patsy Cook Hofmeister '54** of Coppell, TX. "I remember hanging out with my friends, especially Barbara, Doris and Helen.

**Patricia Hartmus Mandigo '67** currently of Knoxville, TN. Was a teacher and principal of LWHS. "I guess my fondest memories are of the Junior/

Senior Prom and graduation night. I went to these occasions with David Bole, who was my only love during those years." Fondest memory of her teaching years: "I guess what I liked best was Mr. Cantley's arrival. He brought stability to the school and renewed our "Trojan Pride". He was such a fun-spirited person (with a twinkle in his eyes) I just enjoyed doing my very best for him. I can remember telling him one day, If I had a father, I would have wished for someone just like him. In his humorous way, he replied, "Why Mrs. Mandigo I am not old enough to have been your father". He was always telling the students that I was old. To them, we were all old, so they would nod their heads and agree with him (much to his delight)"

**Vince Howard '54** resides in Colorado and vacations Ft. Lauderdale. "My fondest memories are when Sally Durrance and I were dating and when my friend, Bud, and I would skip school and go to the beach. I had a small 125 Harley Davidson Motorcycle for my paper route that I rode to school. I also loved being a caddie at the Lake Worth Country Club and playing golf with my good friend, Roy Johnson. Mike Brennan lived behind me and we have stayed good friends all these years. Herb Score was a favorite to everyone with his good looks and his athletic ability. His sister, Helen, and I dated and my thoughts of Helen were always special to me. Sounds Nostalgic, but it makes me think of the best time of my life.

**Bob Stuke '52** lives in North Palm Beach. "E. R. Buddy Goodell was an inspiration to me my sophomore and junior year by constantly reminding me that he thought I had the talent to become a scholarship college springboard diver. Even though he retired from coaching in 1951, Buddy attended the 1952 High School Swimming and Diving Championships in Daytona Beach. He continued to encourage and prod me and when I won the Florida High School Diving Title, he introduced me to three college coaches. One of them, Bim Stults, from FSU offered me a scholarship which eventually led to my earning a BS Degree at FSU."

**Helen Renner '51**, lives in The Villages, FL "I especially liked our assemblies. Seemed like everyone got together and had so much fun. It was also nice just to sit on the pretty lawn and feel close to so many nice kids. Some of our teachers were really great and cared for us, as we did for them."

**Bill Becker '52** lives in New York City, NY

**more Fond Memories...**

"Enjoyed going to the state basketball championship and watching my twin, Dick, play so skillfully. Also have fond memories of leading one of the greatest marching bands in the state in an Orange Bowl Parade. Listening to Mr. Heberling say, 'We are a government of the People, by the People and for the People.' Winning the office of Mayor for a Day Election. Remember all the dances in the gym (what an innocent time)."

**Ira Alexander '34** Santee, CA. "Coach Goodell was an inspiration for a lot of us young kids in those early days . . . trying to remember that far back is difficult to say the least—72 plus years. . . I think it was 1934 and 1935 we played football against the West Palm Beach Wildcats, Red Whittingham coached WPB and we tied them 6—6. A small school (LWH) versus the Big School (WPB). Tom Lamar and I shared playing left end. I was only 130 pounds and most kids called me 'beanpole'. Eleanor Bie always called me her beanpole. One other memory: Coach Goodell would get aggravated at us; he would break at least one pencil in half during class and then everything was O. K."

**George Meoli '54** Guilford, CT "I was in Mr. Goodell's class one afternoon, feverously studying my class assignment, when we heard a car outside our classroom window burning tires up the hill in front of the school making a very loud disturbance. Mr. Goodell started telling the class about the student's disregard for his/her classmates by causing the disturbance and, of course, he was verbally admonishing this person when lo and behold we all looked out the window. Who do you think we saw burning rubber up the hill? None other than his son, Dick Goodell."

**Edwyn-Jo Ellis Chasse '53** lives in WPB, FL. "When I think of my fond memories in high school, I think about my years in the band. It seems like we could always be a part of many things going on. Playing and marching for the football games, traveling with the team when they played away games. Parades through our little town and especially on Memorial Day when we played at the gravesite for the crowd assembled there. The concerts in Bryant Park during the summer. That little band was pretty good; good enough to stay classified as 'superior' for many years. Yep, good music and good friends for a good school."

**Al Elam '52** Palm Springs, FL "All I remember are the noon dances and BASKETBALL."

**Doris Anderson Dorsey '54** Atlantis, FL "Getting up before daylight to get to the pool for practice. . . brrrr! Going to the Boynton Inlet and jumping off the bridge into the inlet on a hot Saturday afternoon."

**David Nelson '54** "Miss May (teacher) told me if I would get a date for the senior prom, she would let me skip chemistry class."

## Jim Bickel to serve on Alumni Board

Jim Bickel ('54) has been added to The Lake Worth High School Alumni Foundation Board of Directors. Jim is CEO of Ansun Capital LLC, the parent of FAA-licensed aviation companies EB Airfoils LLC, Electron Beam Development LLC and Airfoil Contour LLC with facilities in Palm City and Miami.

Upon completion of his Fifth-Year Thesis, Jim graduated from General Motors Institute (now Kettering University), a cooperative institution in Flint, MI. with a bachelor's degree in Mechanical Engineering and did post graduate work in business administration at Butler University in Indianapolis, IN while working as a welding engineer at Allison Division GMC.

In 1961 he married a Hoosier schoolteacher, Patty, and in 1963 they were blessed with their first son, Jimmy. They moved to Tulsa, OK in 1966 where Jim worked for American Airlines as a repair development engineer developing a revolutionary repair for turbine engine fan blades that became accepted industry-wide throughout the world and eventually led to starting his own business.

The family moved to Miami in 1967 and was blessed with their second son, Matt. Jim worked as a project engineer for an aircraft engine repair company, and in 1976 he co-founded Electron Beam Development Corporation specializing in the repair of turbine engine fan blades. This company was the forerunner of the present companies which are now owned and managed by Jimmy and Matt Bickel.

The Bickels (all of 'em including four granddaughters) have lived in Palm Beach Gardens for the past fourteen years. Jim says that he is very happy to be back in the area of many pleasant childhood memories and looks forward to serving on the Board.

## Profile of Dr. Laurie Saunders, Class of '63

by Virginia Thomas and Tami Valentine

Lake Worth High School graduate Laurie Saunders has led a diverse and interesting life as a Professor of Anthropology and Archaeology. She led one of the first groups of Americans to enter the Ukraine in an area where few Westerners have gone.

Laurie's extensive educational background includes a Ph.D. in Anthropology from the University of Texas—Austin: a Masters of Arts in Anthropology and Bachelor of Arts in Psychology from Florida Atlantic University. Laurie has published 30 journal articles, three volumes of research on Seneca and presented over 40 oral papers throughout her career. She has taught at Monroe Community College, Rochester Institute of Technology, SUNY at Brockport and St. John Fisher College. Laurie has served as an expert witness in a court case regarding the age of cremated bones.

In the summers of 1992—95 and 1997, she did skeletal studies and archaeology in Ukraine, presenting papers at a conference in Ukraine. She has traveled and studied in many places abroad and in the United States. Laurie was most recently working at the Rochester Museum and Science Center in Rochester, New York.

Laurie came to Lantana to visit her twin sister, Lynn Saunders Waters '63, and during her visit she was diagnosed with Lupus. After a long hospital stay, Laurie has been recovering in Lantana with the help of her sister, Lynn, and Lynn's son, Billy. Laurie looks forward to continuing her life's work in anthropological studies in the near future.

## Duane Andrews finds success in US Military and National Security

Duane P. DAndrews, graduate of the class of 1963, is currently Executive Vice President and Chief Operating Officer, Science Applications International Corporation, McLean, Virginia. Previous SAIC assignments included President and Chief Operating Officer Federal Business Segment, Corporate Executive Vice President and Executive Vice President for Corporate Development. Mr. Andrews was also elected to the SAIC Board of Directors serving from October 1996 through January 2006. Board committee assignments included Executive, Human Resources and Nominating/Corporate Governance.

Mr. Andrews has served on various national security advisory groups and commissions including the Congressionally chartered Commission to Assess United States National Security Space Management and Organization. He is also active in professional organizations. Mr. Andrews serves on the Executive Committee of Armed Forces Communications and Electronics Association (AFCEA) and is Vice Chairman of the Military Communications (MILCOM) Conference Board.

Prior to joining SAIC in 1993,

Mr. Andrews was Assistant Secretary of Defense for Command, Control, Communications and Intelligence (C3I), the senior intelligence, security and telecommunications official as well as the chief information officer of the Department of Defense. He chaired the DoD Major Automated Information System Review Council and C3I Systems Committee of the Defense Acquisition Board.

From 1977 to 1989, Mr. Andrews served as a professional staff member with the House Permanent Select Committee on Intelligence where he was initially the principal reviewer for Department of Defense tactical intelligence activities and National Security Agency programs, and later the principal program and budget reviewer for Central Intelligence Agency programs. He served on active duty in the United States Air Force from 1967 to 1977 in various intelligence analysis and resource/systems management positions.

Mr. Andrews' military awards include the Bronze Star Medal, two Meritorious Service Medals, Air Force Commendation Medal, and Republic of Vietnam Cross of Gallantry. His civilian awards include the Department of Defense Medal for Distinguished Public Service and the National Intelligence Distinguished Service Medal.

Mr. Andrews holds a Bachelor of Science degree from the University of Florida and a Master of Arts degree from Central Michigan University.

## Your Alumni and Dollars For Scholars Foundations need you

by Dave Cantley

**Your Alumni Foundation was formed in 1997 to provide a means for alumni to reconnect with Lake Worth High and to generate support through membership, reunions, scholarships, newsletters and other special events. Lake Worth Dollars for Scholars Foundation was formed as the scholarship wing of the Alumni Foundation in 1998. The board activities of both foundations have contributed much to our school and community. For continued success, we need everyone's support—**

**especially grads from the 70's and up. Please consider becoming a member of the Alumni Foundation Board or the Dollars for Scholars Foundation Board. For more information on becoming active on either board, call the Alumni Office at 533-6340 or attend our meetings. Alumni Foundation Board meetings are held the second Wednesday of each month at 8 a.m. in the Media Center at Lake Worth High. Dollars for Scholars Foundation Board meets the last Monday of each month at 8 a.m. also in the Media Center.**

## Recipe book to be compiled

Susan Lewis Miller '78

Lake Worth High School Dollars for Scholars and Lake Worth High School Alumni Association would like your favorite recipes. In a joint effort, we are compiling a cookbook for future fundraisers.

Along with your recipe, include your name (first, maiden and last) along with the city and state in which you live, and the year you graduated. If you wish, include your e-mail address so old friends can get in touch.

Entries may be submitted at the upcoming Alumni breakfast or dinner, or mailed to: Susan Miller 614 SE Atlantic Drive Lantana, FL 33462. You can also email recipes to Megchase@aol.com. Please reference LWHS Cookbook.

Cookbooks make excellent fundraisers. They can be sold at breakfasts, dinners and fashion shows. We need your help to make this happen.

### Alumni Foundation Brick Order Form

The information must fit within 3 lines of 14 spaces each (leave blank spaces between words). Bricks are limited, so hurry and order yours now! You will receive verification of your order promptly. All orders are final. No cancellation or refunds will be accepted.

Contributor's Name \_\_\_\_\_

### Help us put the spotlight on LWHS alums

**DeeAnne Cantley Feulner '83**

We know there are many alumni success stories just waiting to be told. If you would like to appear in the newsletter, or would like to suggest a fellow LW High School alum, please contact your alumni foundation office, or email newsletter editor, DeeAnne Cantley Feulner '83, directly at [deeannefeulner@yahoo.com](mailto:deeannefeulner@yahoo.com).

We welcome your suggestions for story ideas, as well as articles and photographs pertaining to Lake Worth High School Alumni. We are always interested in highlighting your reunion or other alumni gatherings—just let us know! If we use your article or photo, you will be listed as a contributor to that particular volume of *Alumni News*.

We look forward to hearing from you soon and representing all of Lake Worth High!

# Thomas Dance Studio's 80<sup>th</sup> Anniversary Season 1926-2006

by Virginia Thomas & Tami Valentine

In the 1920's, a young woman named Grace Arbogast visited relatives in South Florida. Fortunately for the local dance community, she fell in love with the area and decided to stay. With this decision, a family tradition began that has served the Lake Worth community for 80 years.

with performances for civic clubs and benefits throughout the area. During World War II, shows were held at the local hospitals for injured servicemen. In addition, Grace led a group of young women, most all of them from Lake Worth High School, on a national USO Tour after being personally invited by First Lady Eleanor Roosevelt to

Grace Arbogast studied dance throughout her childhood in Indiana, and began teaching at a young age. She not only joined a ballet company, but taught ballet to the Notre Dame "Fighting Irish" football team coached by Knute Rockne. Once in Florida, Grace settled in Lake Worth and began teaching local children. She held her first recital in the spring of 1926.

Grace met and married Englishman Frederick J. Thomas, and they had a son, Fred S. Thomas (class of 1946). Grace's dance studio thrived and had many locations. The current studio, located at 924 N. Dixie Hwy. was built in 1952 by son, Fred Thomas.

Students at the Grace Thomas Studio stayed busy

participate with this show. The school's Adagio Team, consisting of local Lake Worth boys and girls, was recognized around the state for their exciting and thrilling performances.

Virginia Sullivan (class of 1945) was one of Grace's many students from the Lake Worth area. She studied dance at the studio from the age of 7 and began teaching for Grace while still in high school. Virginia married Grace's son, Fred (class of 1946), in 1948 and continued teaching at the school. Fred and Virginia had three children, Teri (class of 1972), Todd (class of 1974) and Tami (Class of 1976).

After producing numerous professional dancers and accredited teachers and influencing thousands of

young lives, Grace retired in 1974 leaving the studio in the capable hands of daughter-in-law, Virginia. As director of the Virginia S. Thomas Studio of Dancing, Virginia continued to provide quality dance instruction to students in the local community, and was active in Dance Masters of America, Florida Dance Masters and the Palm Beach Ballet Society. Virginia's students also provided entertainment throughout the local community. Many students have become accredited teachers through the Florida Dance Masters organization and are teaching around the country; others performed professionally in theater and movies.

In 1986, Teri and Tami became co-owners of Thomas Dance Studio and have continued the tradition started so many years ago. In 1990, they formed the non-profit children's dance ensemble, ENCORE! Dance Company, which provides performances in the area and around the state of Florida. ENCORE! Dance Company has been recognized for excellence in the areas of technique, performance and choreography and had received Florida Dance Masters' President's Award which is the highest

honor given for group performances at their State Conventions. In 2003, Virginia Thomas and Thomas Dance Studio were recognized with a Community Service Corporate Award for the school's years of contributions to Lake Worth.

In recent years, many students have received scholarships to attend prestigious summer dance programs throughout the nation. Graduates are performing with Tokyo Disney, Holland America Cruise Lines, Central Florida Ballet

and Walt Disney World in Orlando. Teri's daughter, Andrea, is currently a company member of the Augusta Ballet in Augusta, Georgia.

Thomas Dance Studio will celebrate its 80<sup>th</sup> Anniversary at the school's annual recital on Friday, June 9 and Saturday, June 10 at 7 p.m. Anyone interested in attending may contact the studio at 582-3100.

## Our Alama Mater

### "Hail to Lake Worth High"

The light of our learning  
Is still brightly burning,  
Our thoughts ever turning  
To old Lake Worth High.

Our memories never fade  
Of dear friends we have made  
Of plans that we have laid  
In days long gone by.

The walls that have housed  
All hopes for the future.

The light that has led us  
Through life's stumbling way.

Nor, will we forget  
The challenges we met.

We cherish her yet,  
Hail to Lake Worth High.

Order a

## Barry Grunow Memorial Basketball Tournament raises record amount as this era comes to a close

The **Barry Grunow Memorial Basketball Tournament** is coming to an end. Garth Rosenkrance, Dollars for Scholars Board Member, reports that Leisure Services of Jupiter, i.e. the Jupiter Recreation Department, which has been the home to the Barry Grunow Three on Three Memorial Basketball Tournament for the past five years, wants to have their own tournament with no conflict.

The Barry Grunow Memorial Tournament was started in 2001 in honor of slain Lake Worth Middle School teacher, Barry Grunow. The Tournament Committee consisted of Dan Nurenberg, Rodney Carroll, Bill Meyers, Gerry Schildkraut, Krolick, Andrew

Gamble and Garth Rosenkrance, Chair. The committee members were high school friends of Barry. This committee, in conjunction with the Parks and Recreation Department of Jupiter, coordinated five tournaments from 2001 through 2005 which netted \$84,838.69 for the Barry Grunow Memorial Scholarship.

Since the scholarship originated in 2001, fifty-seven Palm Beach County students have been awarded \$75,250 in Grunow scholarships. Additionally, the Barry Grunow Memorial Scholarship Endowment has funds invested in the amount of \$71,470.

The Dollars for Scholars Board members are saddened that this

tournament has ended, but we are appreciative of the hard work to generate the funds for scholarships. We extend a most sincere "Thank you" to the tournament committee and the Town of Jupiter for their endeavor. Our goal is to reach an endowed amount of \$100,000 in the Barry Grunow Memorial Scholarship Endowment Fund. Any one wishing to donate to this fund may write a check to Lake Worth Dollars for Scholars with the notation "Grunow Endowment Fund" and mail to Lake Worth Dollars for Scholars, Lake Worth High Alumni Office, 1701 Lake Worth Road, Lake Worth, FL 33460.

## Betty Milone Memorial Endowment Fund Established in her honor

A scholarship endowment in memory of Betty Milone has been established by her husband, Ralph. Betty and Ralph have managed the Lake Worth High School Flea Market since 1992. Betty passed away on February 16, 2006.

Betty loved the flea market with a passion and was particularly proud of the fact that a portion of the funds provided scholarships for needy students. Betty's endowment was initiated with donations from friends and family totaling \$3,250. When the principal amount reaches \$20,000, the scholarship will be fully endowed in perpetuity; only the interest earned each year will be awarded to a needy student. Anyone

wishing to make a donation to the endowment can write a check made payable to **Lake Worth Dollars for Scholars** with the notation,

"Betty Milone Scholarship". The mailing address is: Lake Worth Dollars for Scholars, c/o Lake Worth High School, Alumni Office, 1701 Lake Worth Road, Lake Worth, FL 33460.

**inset photo: Betty Milone with husband, Ralph and 5 year old Adrain Perez Jr. at the Lake Worth High School Flea Market.**

## LWHS Scholarship recipients big winners in golf tournament benefiting LW Dollars for Scholars

**Huge thanks to former LW City Commissioner, Mac Mckinnon for organizing the event again this year!**

**Dollars for Scholars golfers, from left to right: John Rachell, Bo Allen, Jimmy Suttoy, Bruce Webber.**

## Summary of Endowments

**Barry Grunow  
\$71,470.75**

**David Cantley  
\$17,664.01**

**Dennis and Doris  
Dorsey  
\$14,151.36**

**Karl Easton

**Betty Milone  
\$3,250.00**

## Use Target guest card and support Lake Worth Dollars for Scholars

You can help Lake Worth Dollars for Scholars provide scholarships just by shopping with your Target Guest Card. Through their School Fundraising Program, Target will donate an amount equal to one per cent of your Target Visa or Target Guest Card purchases at Target stores to your chosen school. In addition, they will donate one half of one percent of Target Visa purchases outside of Target Stores. Donations will be sent to the school twice a year, in September and March. Funds accumulate all year long.

Lake Worth High currently is designated to receive funds by 927 cardholders, and has received \$15,045.47 from Target since their "Take Charge of Education" program began.

You can access this information and apply for a Target or Target Visa on line by going to [www.target.com](http://www.target.com). If you already have a Target Visa or a Target Guest card, you can designate "Lake Worth High School" on line or call 1-800-316-6142.

Please help us help our students to further their education by becoming a member of this Target program to assist education.

## 2006 DFS AWARDS CEREMONY

David Cantley

Lake Worth Dollars for Scholars Scholarship awards presentation ceremony will be held **May 3, 2006 at 7 p.m.** in the auditorium at Lake Worth High School.

Dollars for Scholars, the scholarship wing of the Lake Worth High School Alumni Foundation, awarded the first scholarships in May of 1999. A total of \$278,450 has been awarded to 292 students in the past seven years. Palm Beach Community College and Florida Atlantic University Foundations will match the scholarships of recipients who attend their school. Lake Worth Dollars for Scholars and Lake Worth High Alumni Foundations are proud of the effort made to help needy students prepare for a better life by furthering their education.

We also want to thank all contributors: individual, civic, political and those who work so hard with fundraising events for your devotion to our students and our community. Our Lake Worth community is a community like no other.
