Dear Supporter of the Arts,

We are gearing up for an incredibly exciting spring trip with the Lake Worth High School Band!

Our band has been hard at work preparing for our music performance assessment this spring. We are growing into a formidable program that strives to bring pride to Lake Worth and Palm Beach County. This year, we have been invited to perform at the University of South Florida and will be working closely with USF's Director of Bands Dr. Matthew McCutchen!

Performing at USF is an incredibly exciting opportunity for our students and we are incredibly motivated to represent Lake Worth with pride. This goal, however, will not be attainable without the support of our generous and passionate community members, teachers, and families. We have launched an impressive fundraising campaign in order to achieve the goal of 100% participation of all band students. We are asking our community, friends and family to support us as we work toward our goal of taking the entire band to Tampa this April.

Unlike other fundraisers, where much of the profit goes to the product vendor, 100% of the money you donate here goes directly toward covering the cost of this trip for students in our band program. Every donation helps to sponsor the student of your choosing. No donation is too small! The cost per student for this trip is \$255. This covers all expenses including charter bus transportation, hotel, meals, Busch Gardens admission, and a trip shirt.

Thank you for supporting our talented young musicians with your tax deductible donation gift!

If you have any questions at all, please feel free to email Ms. Cox at tiffany.cox@palmbeachschools.org.

(Check one AND fill in information below)
